
fairway bay NJ Superior Court Judges Home Addresses

Posted by Anonymous - 2009/12/06 14:07

Here are the home addresses of the Hudson County Superior Court Judges. These judges have all taken an oath to uphold the New Jersey Constitution and the United States Constitution. It would appear, however, that taking that oath is only a means to a lifetime job for some of these judges. The oath does not actually mean anything to some of these judges. Last week, Maurice Gallipoli dismissed my case. He had a secret hearing during which he placed his opinion on the record, and he wants me to purchase a transcript if I want to know what is in his opinion! Is he trying to avoid answering a motion for reconsideration? On Decemebr 22, 1997, I will upload the entire list of home addresses of ALL New Jersey Superior Court Judges. If any of these judges have violated your rights, you might want to teach them what their obligations under the constitutions really mean. You can do it through the First Amendment. Get you friends together and picket their houses!
